A Commission of the Santa Clara County Board of Supervisors

Date: January 6, 2012

Dear Supporter,

On Friday, April 20, 2012, the Santa Clara County Child Abuse Council will be celebrating its 30th annual Child Abuse Symposium at the Santa Clara Marriott hotel. We expect another great event with a strong turnout of approximately 400 medical professionals, social workers, law enforcement officers, attorneys, parents, and child welfare specialists. We are proud to provide a dynamic educational forum for those who care deeply about and work tirelessly for the health and well being of children and families in our community.

The Santa Clara County child abuse reporting phone line receives over 20,000 calls per year. This number is a constant reminder of our obligation to collaborate and to learn how best to help our most vulnerable citizens. We need your commitment and support to succeed.

Please help us by co-sponsoring the 30th Annual Child Abuse Symposium. Your tax-deductible gift will be recognized widely in our advertising. We are offering the following sponsorship levels, which will include varying degrees of name/logo placements and complementary admission/tables:

\$5000 - Voice for Children
\$2500 - Champion
\$1000 - Associate
\$500 - Supporter
\$250 - Advocate

Please make checks payable to SCC Child Abuse Symposium and mail to 70 West Hedding St., 10th Floor, East Wing, San Jose, CA 95110. Obviously, any and all sponsorship levels are appreciated.

Very Truly Yours,

Margaret Petros
